

## Omtaler Parasound Halo BP JC2

Creating this little masterwork at this price is another feather in Parasound's and designer John Curl's cap.

- The Absolute Sound 2016 High-End Buyer's Guide

This is a piece that is so good, I think you could buy it without hearing it, and that is as high praise as I can offer.

-Positive Feedback

In fact, he—and Parasound and John Curl—got it very right. And at a price that will be within the reach of real-world audiophiles.

Awesome!
