## HEIGHT-ADJUSTABLE SPEAKER STANDS

FOR SONOS ERA 100™ AND ERA 300™

The SANUS Height-Adjustable Speaker Stands designed for the Sonos Era 100™ and Era 300™ offer 17" of effortless sliding height adjustment, cable management and a sleek design. These adjustable stands are sure to deliver optimal audio performance regardless of your listening needs. Constructed of durable steel, and extruded aluminum, that not only resists wear, but also perfectly complements the aesthetics of the Era 100™ and Era 300™ for a sleek, seamless look.

Perfect for use in any setup, be it home theater, surround sound, or ambient listening. For a cable-free look, our Press Fit™ cable management technology secures cords down the back of the stand for concealment. Assembling easily in 15 minutes with just a Phillips screwdriver, this sleek stand will help get you the perfect sound for your space.
